

Individual leadership development

Lars Mersh Leadership_

Individual leadership development - three +1

Knowledge | Passion | Action

#1 Personal effectiveness

Raise the energy level, increase effectiveness, prevent stress

Five 90-minute individual sparring sessions, incl. personality profile, before-and-after evaluation, reading materials, work documents and exercises to strengthen personal effectiveness.

Target group: leaders, project managers and specialists – in English or Danish.

Price*: 19,500 DKK + VAT

*Can also be run in groups of 5+ people at a reduced price

#2 Effectiveness and success

Personal development, interpersonal skills, better results

Nine 90-minute individual sparring sessions, incl. personality profile, before-and-after evaluation, reading materials, work documents and exercises to strengthen personal effectiveness and success.

Target group: leaders – in English or Danish.

Price: 39,500 DKK + VAT

#3 Stress coaching

Prevent stress or back to work after stress

Seven 60-minute individual stress coaching sessions with support tools and book to help you through a rough time or back to work.

Target group: leaders, project managers and specialists – in English or Danish.

Price: 13,500 DKK + VAT

+1 Sparring and coaching

New ideas, new tools, more energy – tactical and strategic sparring

Ten hours of personal and business sparring. Sessions can be single or combined. As your sparring partner. I'll both support and challenge you.

Target group: leaders – in English or Danish.

Price*: 14,400 DKK + VAT

*Contact me for executive coaching

All programmes og materials build on recognised methods and set flows based on many years of experience

Contact

Contact me for an informal chat about your company, objectives and ambitions.

I have more than 25 years' experience in leadership and business development in Denmark and globally, primarily within Grundfos.

Together, we reduce complexity, so you can make the right decisions and set the direction for the desired development.
